

PEACE BE WITH YOU

This greeting is a deep, and meaningful ministry in the Lutheran faith tradition. It is not a sociable handshake or moment of informality. Because of the presence of Jesus Christ in our lives, when we say, “peace be with you” or “Christ be with you”, we are blessing Christ’s own peace to you. This is a deep peace rooted in comfort, forgiveness, grace, love, and joy. May Christ’s peace be with you this day, and all days.
